DHI-ARC2000B-W

Wireless Alarm Hub

Features

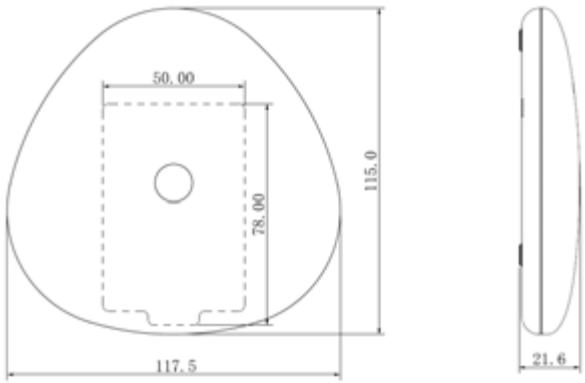

- 32 wireless zones
- Bi-directional communication, transimission range up to 150m open space
- 16 wireless key fobs (remote control)
- 4 wireless sirens
- Built-in speaker
- Wi-Fi (IEEE 802.11)

Technical Specification

Wireless Zones	32 wireless zones, bi-directional communication, transimission range up to 150m open space
Wireless Remote Control Number/Distance	16, transimission range up to 80m open space
Video out	Built-in speaker
Wi-Fi	2.4GHz (IEEE802.11b/g/n)
Power	DC5V, Max 10W
Working Environment	-10°C-+55°C
Overall dimensions\weight	117.5mmL*115W*21.6H mm/<0.2kg
Installation	Desktop/Wall mounting
