12V 200Ah GEL BATTERY

Gel Rechargeable Battery for Inverter Applications

Battery type	GEL Battery
Nominal voltage	12 V
Rated capacity	200 Ah
Application	Inverter / Backup Power

PRODUCT OVERVIEW

12 V / 200 Ah GEL rechargeable battery intended for inverter and backup-power applications. The supplied product reference shows a large sealed battery enclosure with dedicated positive and negative terminals.

APPLICATIONS

• Inverter systems

• Backup power installations

• UPS and emergency-power systems

• Energy storage applications compatible with 12 V GEL batteries

AVAILABLE PRODUCT INFORMATION

Parameter	Specification
Battery technology	GEL rechargeable battery
Nominal voltage	12 V
Rated capacity	200 Ah
Primary application	Inverter / backup power
Housing color	Black

Note: Exact model, dimensions, weight, charging parameters, cycle life, terminal specification and operating-temperature range are not clearly provided in the supplied product reference and are therefore not stated here.
