DESCRIPTION

Fixed wall mount for 32" to 70" TVs: stability and extra slim design
This FIX-044EN stands out for its extra slim design that allows to attach TVs from 32 to 70 inches (81.3 to 177.8 cm) with an elegant and discreet aesthetic, ideal for any space. Compatible with multiple VESA formats (75x75, 100x100, 100x150, 150x100, 100x200, 200x100, 150x150, 200x200, 200x300, 300x200, 200x400, 400x200, 300x300, 300x400, 400x300, 400x400), this mount ensures a firm and adaptable fit to different screen configurations, keeping them just 2 cm away from the wall.

Safety and easy installation
Designed to support up to 45 kg of weight, the FIX-044EN offers easy installation thanks to the installation template and a complete set of plugs, screws and mounting accessories. In addition, it includes a spirit level for precise alignment and a screw security system, providing maximum stability in any environment.

Why choose the FIX-044EN mount?

Universal compatibility: Ideal for a wide variety of TVs, with broad VESA format compatibility.
Extra-slim and discreet design: Place the screen just 2 cm from the wall for a modern, uncluttered look.
High quality materials: Sturdy structure that supports up to 45 kg, guaranteeing safety and durability.

This wall mount is the perfect choice for those looking for a secure and discreet installation that optimises their space without compromising on design or functionality.
