MCP Cover Set

TELETEK

Plastic Safety Covers for Manual Call Points

- Plastic safety cover for manual call points
- Compatible with SensoMAG MCP50
- Compatible with SensoIRIS MCP150

MCP Cover Set is a set of plastic safety covers designed for Teletek manual fire alarm call points. The transparent protective cover helps guard the call point against accidental activation while keeping the operating element visible and accessible.

The covers are compatible with the conventional SensoMAG MCP50 and the addressable SensoIRIS MCP150 manual call points. The product is supplied as a set of 5 covers.

Features

- Protective cover for manual fire alarm call points
- Helps reduce accidental call point activation
- Transparent design keeps the call point visible
- Compatible with SensoMAG MCP50
- Compatible with SensoIRIS MCP150
- Simple accessory for existing compatible call points
