

Guest Safes

The Yale Guest Safes are an ideal addition to a guest house or a spare bedroom in your house. With the LCD display it has the ability to operate a 3 to 6 digit master code or you can create a guest code if you prefer.

When it comes to changing the battery of the safe, these guest safes allow you to do this with ease as it has an external battery for your convenience.

You also have the option to choose from a small guest safe, medium sized or laptop sized safe in order to find to the right safe to suit your needs.

Key features

- Opens with pin code, mastercode or key
- LCD display and the ability to operate a 3 to 6 digit main user code or guest code
- Safe lock down for 5 minutes after 3 incorrect attempts
- Batteries positioned on the outside (no need unlock the safe to change them)

Additional features

- Electronic lock with handle for easy opening
- The option to switch the sound off
