SensoIRIS BS Cover

Protective Cover for SensoIRIS Sounder Bases

Protective plastic cover for SensoIRIS bases

White finish - RAL 9010

Compact dimensions: 102 x 10 mm

SensoIRIS BS Cover is a protective base cover designed for SensoIRIS sounder and sounder-strobe bases when they are used without a detector. It provides a clean, finished appearance while covering the detector mounting position.

The cover is intended for compatible SensoIRIS base devices including BSOU and BSST. It is manufactured in white and is suitable for operation over a wide temperature range.

Features

- Protective plastic cover for SensoIRIS base devices
- For installations where no detector is mounted
- Compatible with SensoIRIS BSOU and BSST bases
- Provides a clean and finished installation appearance
- White RAL 9010 finish
- Low-profile 10 mm height
- Suitable for -25°C to +70°C operating conditions
