Guangzhou FTD Audio Limited

FTD-FPJ-320EN

Wall-Mount Projection Speaker

Guangzhou FTD Audio Limited

- Single-direction projection speaker design
- Adjustable wall-mount bracket
- White cylindrical FTD enclosure

FTD-FPJ-320EN is a wall-mount projection speaker with a cylindrical enclosure, front protective grille and an adjustable mounting bracket. Its directional form factor is intended for fixed installed audio applications where the speaker angle needs to be positioned toward the listening area.

Features

- Single-direction projection speaker format
- Adjustable bracket for wall or surface mounting
- Front protective grille
- White finish with FTD front badge
- Directional positioning after installation
- Compact cylindrical enclosure
- Fixed-installation speaker design
