DESCRIPTION

Swivel TV Mount MOV-311EN: Flexibility and Stability for Screens up to 32 Inches

The MOV-311EN TV mount is the ideal solution for those looking to optimize space and enhance their viewing experience. Designed to support screens from 13 to 32 inches and up to 20 kg, this versatile and secure wall mount offers hassle-free installation. Compatible with VESA standards 75 x 75 and 100 x 100, the MOV-311EN is perfect for a wide range of TV models.

Adjustable Orientation and Viewing for Your Needs

This mount allows for horizontal swivel adjustments of 180°, vertical tilt of ±8°, and a horizontal correction of 5° to achieve the perfect viewing angle. Additionally, its 90° rotation feature enables easy switching between horizontal and vertical screen positions, ensuring the best viewing experience for various types of content. With an adjustable wall distance from 6.2 to 37 cm, the MOV-311EN provides a compact yet flexible profile.

Why Choose the MOV-311EN Mount?

Easy and Secure Installation: Includes all necessary accessories, such as a bubble level, cable holders, and an installation template, along with wall plugs and screws for a firm setup.
Elegant and Discreet Design: Its black color and compact dimensions (6 x 21.4 cm for the wall plate and 13 x 13 cm for the TV plate) make it suitable for any interior decor.
Lightweight and Durable: Weighing only 1.05 kg, the MOV-311EN provides the robustness and stability needed without adding extra weight to the wall.

This swivel wall TV mount is the perfect choice for those seeking quality, flexibility, and a clean installation for their home or office spaces.
